Gliding at Yorkshire Gliding Club, Sutton Bank, North Yorkshire

The Gliding Club have offered the following dates for scouts in 2009. Initially dates have been allocated to the six counties, and we have until end of March to reserve our bookings and have them recorded on the website. After that all of the unreserved dates are available to scout groups from any of the six counties. To check available dates after 1st April, go to the regional activities web site, www.glider.ne-activities.org.uk and follow the gliding link, or contact Dennis Ford 01642 312818, dennis.ford@denfred.eclipse.co.uk
